

POSITION ANNOUNCEMENT

DevOps Director

Intermountain Rural Electric Association is currently seeking a dynamic individual to fill our **DevOps Director** position in our Sedalia location. With over 150,000 members, Intermountain Rural Electric Association is one of the largest member-owned electric utility cooperatives in the United States.

The DevOps Director's role is to ensure that public, private, and hybrid cloud solutions best meet the Association's business needs. Develop and continually enhance and improve service offerings through a DevOps operational model. Provide architectural expertise to Project managers and technical staff; develop architectural products and deliverables for the enterprise and operational business lines in accordance with the Association's strategy and goals.

This position does require a Bachelor's degree and five years of services experience with project management experience. Experience with Cloud computing, including IaaS, PaaS, SaaS concepts and articulating these concepts to technical and non-technical audiences.

Knowledge of applicable data privacy practices and laws is a must. Good written and oral communication skills, including strong technical documentation skills are also required. Successful applicant will be highly self-motivated and directed with the ability to effectively prioritize and execute tasks in a high-pressure environment.

Salary for this position is commensurate with experience and knowledge. Intermountain REA provides an excellent benefits package including health and dental insurance, long term care insurance, life insurance, 401(k) plan, and a Defined Benefit Pension plan.

If interested, please send your resume and salary history to Intermountain REA, Human Resources, Post Office Drawer A, Sedalia, CO 80135. You may also e-mail your resume to HR@IREA.coop. Pre-employment drug screening and background check will be conducted.
