To initiate third party notification on an IREA account, this form must be completed **in full** and signed by **both parties**. Completion of this form will authorize IREA to send a copy of any notice of discontinuance of service to the named third party. This form does not obligate the third party to pay the customer's bill, nor will receipt of a duplicate notice defer or prevent service disconnection if timely payment is not made. IREA does not guarantee and shall not be liable if the third party does not receive or act upon a duplicate notice.

If service at this location is transferred into another party's name, third party notifications will stop.
